BANGOR AND AROOSTOOK  
RAILROAD

The new Bangor and Aroostook Pullmans are the last word in modern design. Each car has four double bedrooms, six roomettes and six standard sections. Modern comfort aids include airfoam rubber mattresses. Regular Pullman porters, masters of the art of service, are in regular attendance on these new cars.

Each bedroom is designed for two people, but available for single occupancy on single fare. Every modern comfort is incorporated in these efficiently compact yet spacious accommodations.

The section is a combination of upper and lower berths with every comfort and convenience. It is designed for persons who want comfort yet prefer this moderate priced type of accommodation.
